Practical - 2

Practical Title: Semantic HTML5 Pages with Accessibility-Ready Structure

Problem Definition 1: Develop static HTML5 skeletons for at least 10 Student Hub pages such as: Home, About, Register, Login, Dashboard, Events, Profile, Contact, Admin, FAQ, and Feedback. Use semantic tags and accessibility-friendly structure.

Theory

1: Are semantic tags such as header, nav, main, section, article, aside, and footer used properly?
Answer: Yes.

2: Are form labels, headings, image alt text, and navigation links accessible?
Answer: Yes.
3. Is the page structure consistent across all pages?
Answer: Yes because I used auto margin option.

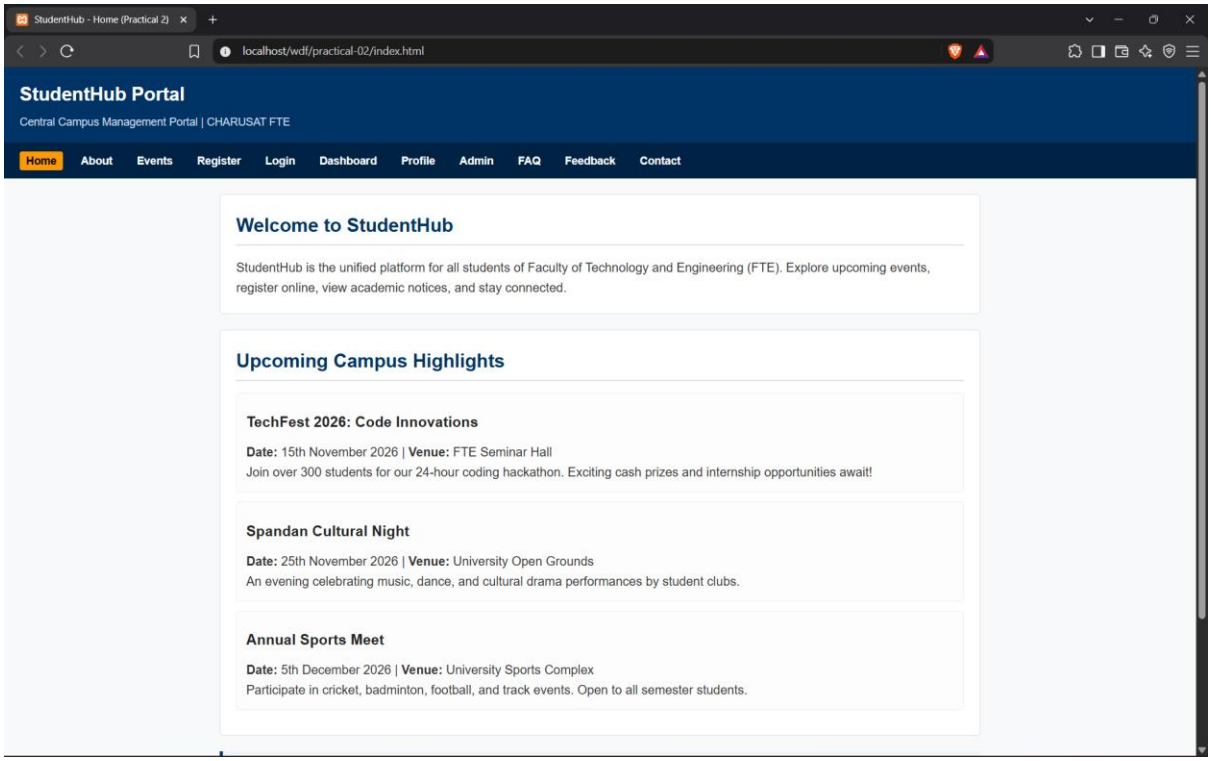

A. Implementation/ Output/Result (Keep only one option which is suitable to practical)

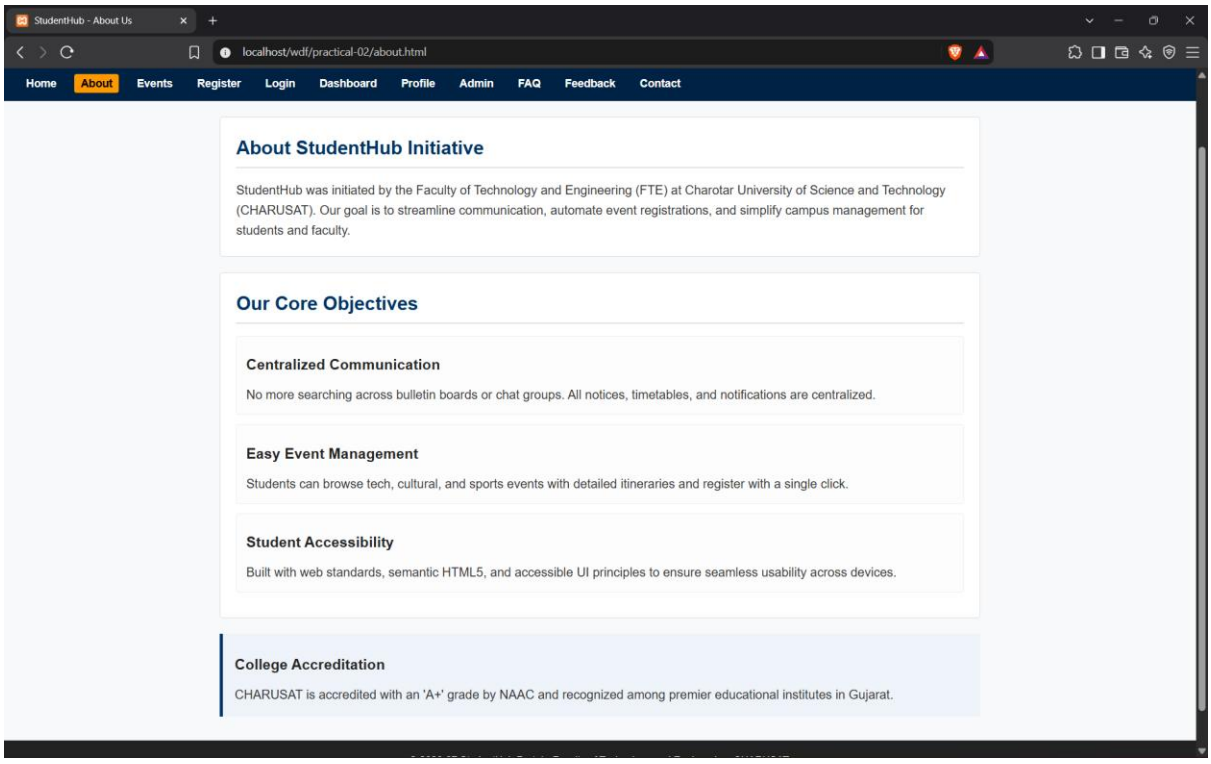

HTML Tags Summary

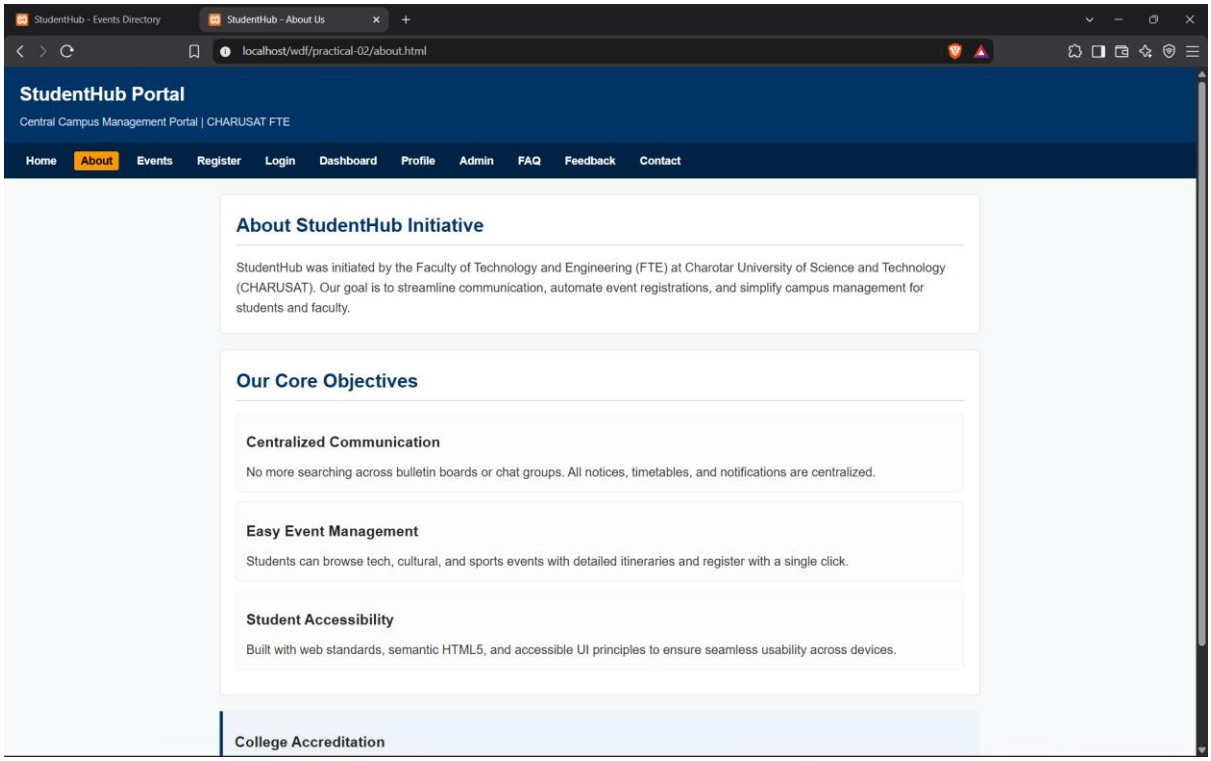

Across all provided files, the following HTML tags are used:

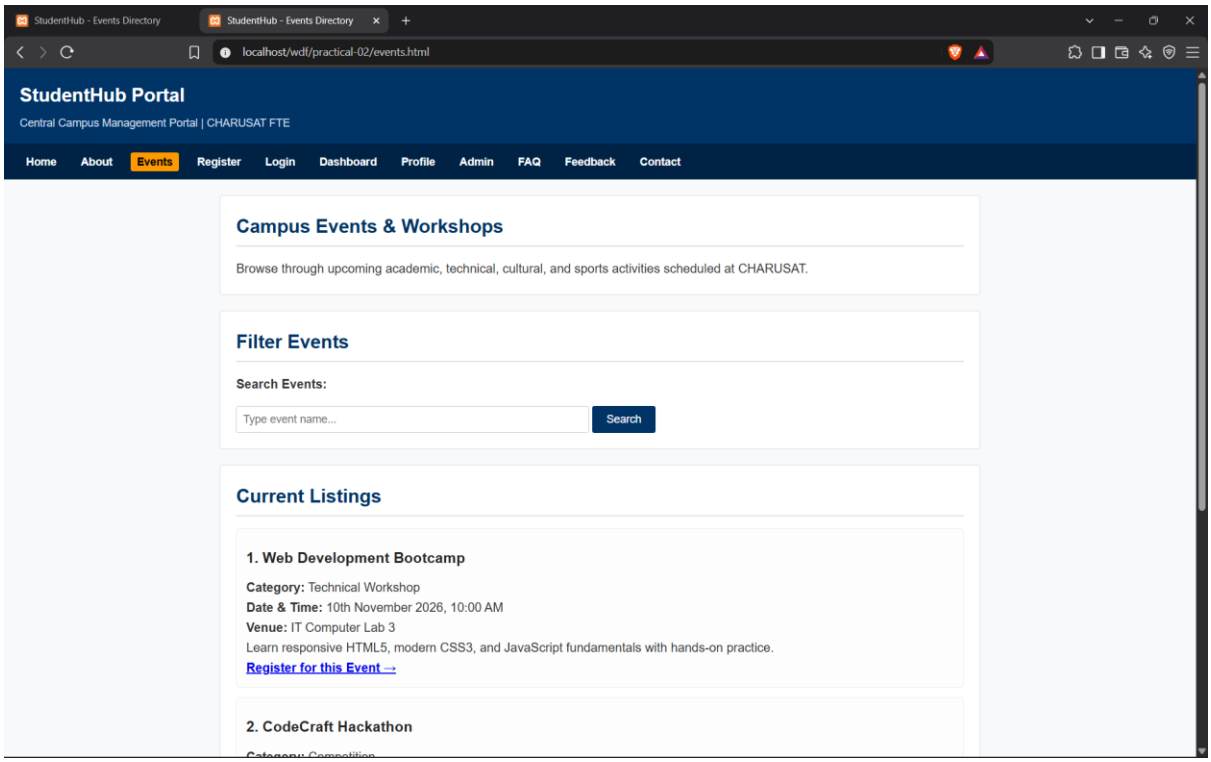

- **Document Structure:** <!DOCTYPE html>, <html>, <head>, <title>, <meta>, <body>, <footer>, <style>
- **Text & Layout Content:** <h1>, <h2>, <p>, <hr>, ,
- **Links & Media:** <a>, <img>
- **Tables:** <table>, <tr>, <th>, <td>
- **Forms & Interactive Elements:** <form>, <label>, <input> (text, password, date, file), <select>, <option>, <button>

Welcome to StudentHub
StudentHub is the unified platform for all students of Faculty of Technology and Engineering (FTE). Explore upcoming events, register online, view academic notices, and stay connected.
Upcoming Campus Highlights
TechFest 2026: Code Innovations
Date: 15th November 2026 | Venue: FTE Seminar Hall
Join over 300 students for our 24-hour coding hackathon. Exciting cash prizes and internship opportunities await!
Spandan Cultural Night
Date: 25th November 2026 | Venue: University Open Grounds
An evening celebrating music, dance, and cultural drama performances by student clubs.
Annual Sports Meet
Date: 5th December 2026 | Venue: University Sports Complex
Participate in cricket, badminton, football, and track events. Open to all semester students.

About StudentHub Initiative
StudentHub was initiated by the Faculty of Technology and Engineering (FTE) at Charotar University of Science and Technology (CHARUSAT). Our goal is to streamline communication, automate event registrations, and simplify campus management for students and faculty.
Our Core Objectives
Centralized Communication
No more searching across bulletin boards or chat groups. All notices, timetables, and notifications are centralized.
Easy Event Management
Students can browse tech, cultural, and sports events with detailed itineraries and register with a single click.
Student Accessibility
Built with web standards, semantic HTML5, and accessible UI principles to ensure seamless usability across devices.
College Accreditation
CHARUSAT is accredited with an 'A+' grade by NAAC and recognized among premier educational institutes in Gujarat.

Frequently Asked Questions (FAQ)
Find answers to common questions about StudentHub, registration, and event participation.
General Queries
Q1: Who can register on StudentHub?
Answer: Any enrolled student of CHARUSAT FTE across undergraduate (B.Tech, BCA) and postgraduate (MCA, M.Tech) programs can register using their student email ID.
Q2: Is there any registration fee for campus events?
Answer: Most university-organized workshops and cultural activities are completely free. Certain specialized hackathons or national conferences may carry a nominal fee mentioned on the event details page.
Q3: How do I know if my registration is confirmed?
Answer: Once you submit an event registration, you will see it listed under your personal Student Dashboard with a "Confirmed" badge.
Q4: What should I do if I forgot my login password?
